AFFILIATE PARTNERSHIP CONTRACT – PLEASE READ

Partnership in AACM is recorded in the name of the organization, not the individual. Partner dues are non-refundable and are pro-rated monthly for new Partners. Approval for new applications will not be finalized until dues are received. Partnership will renew automatically unless terminated in writing. Dues quoted are effective 1/1/2017 and are subject to change. If payment is not received on outstanding invoices within 31 days from the invoice date a finance charge will be added as of the billing date at an interest rate of 1.5% per month. Delinquencies over 60 days will result in your partnership being suspended until paid current. In the event your account is transferred to collections you can be held responsible for all collection fees. We are required to advise you that your association dues are not deductible as charitable contributions for Federal Income Tax purposes. Political contributions are not deductible. Please be advised that 90% of your dues, which represent that portion used to monitor and influence legislation for 2017, are non-deductible for business purposes. We suggest you contact your tax advisor for specific guidance. By signing below you agree that you are able to make binding decisions on behalf of the above named company and have read and agree to this contract.
