

2019 AACM G.E.M. Awards

“Guiding Excellence in Management”

October 16, 2019

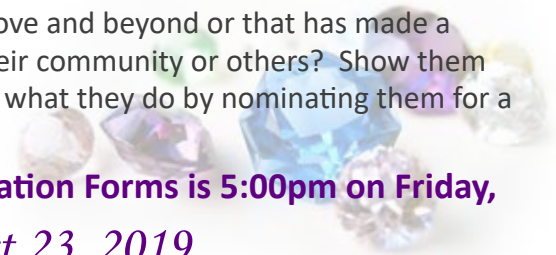

The AACM G.E.M. Awards provides a special opportunity for us to recognize the individual efforts of CAAM-certified Community Managers, CAASP-designated support professionals, and our outstanding Affiliate Partners who have gone above and beyond their duties for their association clients and company.

Being nominated by industry peers is one of the highest compliments an individual can receive and this is the perfect opportunity to recognize them for their dedication and commitment!

Do you know someone that goes above and beyond or that has made a lasting and meaningful impact on their community or others? Show them how much you value and appreciate what they do by nominating them for a G.E.M. Award!

DEADLINE to submit Nomination Forms is 5:00pm on Friday,

August 23, 2019

“Honoring the Standards of Excellence in the Community Management Industry”
